## Document Retrieval and Patent Searches

### File histories and other document services

With one of the industry's largest collections of File Histories, our experienced staff at the United States Patent & Trademark Office (USPTO), and our international alliances, we are able to supply both U.S. and International Files quickly to our clients.

- Worldwide coverage
- Delivery in PDF, searchable PDF, with English bookmarks; via email, CD-ROM, or download from our secure site
- Patents & Published Applications
- USPTO Certified documents
- Trademarks, Copyrights, Legalizations & Authentications

### Patent searches

We provide global patent searches in the electrical, chemical, mechanical, food, DNA, software, and biotechnology industries. Please contact us for all your type of searches:

- **Patentability and Novelty**
- **Collection**
- **Infringement**
- **Validity**
- **State-of-the-Art**
- **Prior-art**

Search reports are delivered in the format of your choice: PDF or TIF, on CD ROM or via email. Paper copies are also available upon request.

## Our price list
